

# Return Checklist for your Bobcat Equipment

So you have decided to return your Bobcat® equipment. Please use the following checklist in preparation for your equipment return.

Visit [www.BobcatEquipmentLeasing.com](http://www.BobcatEquipmentLeasing.com) to learn more about the return process.

Review your paperwork to confirm lease expiration and review the return conditions for your Bobcat equipment.

Inspect the machine yourself for excess wear and damage before you return it. If repairs are needed, please coordinate with your authorized Bobcat dealer to repair and ensure machine meets the return conditions. Please refer to the “Pre-Inspection” section in “My Return” for additional equipment inspection details.

Reference the “End of Lease Options” section and select Option 4 “Return Your Bobcat Equipment” to learn more about the process and notify Wells Fargo of your intent to return your Bobcat equipment.

Request a “Buyout to Return” invoice from Wells Fargo to settle any outstanding payments and taxes that may be due.

After the inspection is completed, please coordinate the return with your authorized Bobcat dealer and notify Wells Fargo once the equipment is returned.

Complete and submit the signed Lease Return Delivery Receipt. This form can be found in the My Return section.
